

March 2023

We would like to thank you for visiting our booth. It was our great pleasure to meet with you at IDS 2023 in Cologne!

The exhibition was a great success, and it gave us the opportunity to showcase our full product portfolio. We hope you had a productive visit to our booth and enjoyed your trip. Thank you very much for your interest in our products and services.

### At the IDS 2023...

Positive interactions with visitors were achieved through product demonstrations. This enabled us to better showcase our product range.

If you are interested in purchasing our products, you can easily find your nearest NSK dealer from our contact list below.
